FOR IMMEDIATE RELEASE

INDIANAPOLIS, IN, Feb. 10/Bosma Enterprises – The Bosma Visionary Opportunities Foundation invites guests to dine in the dark at their 2nd annual fundraising event, “Dining in the Dark,” 6 p.m. on April 09, 2011, located at the Conrad Hotel in downtown Indianapolis.

Promised to be an evening of unmatched elegance, guests will be treated to stylish cocktails and appetizers as they browse a selection of unique silent auction items.

In it’s second year, Dining in the Dark has added a glamorous twist to this evening of events. A Diamond Dig will be available for those who think they have a knack for discovering buried treasures. The silent auction and Diamond Dig will be followed by a program and delicious meal served in darkness.

“While enjoying an elegant meal at a five star hotel, individuals get the opportunity to learn the need for services made available through funding provided by The Bosma Visionary Opportunities Foundation,” says Kara Fox, Chief Development Associate and Events Coordinator at Bosma Enterprises.

More than just stylish dining and friends, Dining in the Dark has a unique and genuine purpose. The experience will help bring a greater awareness of the need for the critical services the Foundation provides to individuals experiencing a loss of vision.

“All gifts and proceeds benefit our programs,” Fox says. “Every dollar goes back to the Bosma Visionary Opportunities Foundation, creating more opportunities for those who are blind or visually impaired.”

Interested parties should contact Kara Fox, Chief Development Associate and Events Coordinator at karaf@bosma.org or by phone at 317.704.8294 for more information about sponsorships, silent auction donations, and table reservations.
