

ENCORE® Latex Acclaim®

SURGICAL GLOVES

Latex, powder-free surgical glove with a comfortable, natural fit and feel

Featuring Ansell's unique formers and glove formulation, this glove's combination of fit and comfort together with optimized tensile strength, puncture and tear resistance properties enables healthcare workers to perform at their very best.

KEY FEATURES & BENEFITS

- Proprietary glove formulation delivers a soft and sensitive yet robust surgical glove
- Unique, anti-slip smooth external surface treatment for good instrument handling and grip
- The DERMASHIELD™ Technology internal coating facilitates dry and damp donning as well as intra-operative changes
- Tested for use with chemotherapy drugs*

CAUTION: Safe use of these gloves by latex-sensitized individuals has not been established. This product contains natural rubber latex, which may cause allergic reactions.

*Contact Ansell Customer Service for specific chemotherapy drug permeation times and recommendations.

RECOMMENDED FOR

- Damp donning
- Extra comfort during long, sustained procedures
- Tested for use with chemotherapy drugs
- Use as an outer glove when double gloving
