

Ice Melt

Fast. Powerful. Safe. Convenient.

Bosma Enterprises offers customers the most effective ice melt available. Your purchase creates jobs for people who are blind which impacts the community long after winter weather is gone.

Bosma's SKILCRAFT Ice Melt includes a special coating that promotes superior melting and contains powerful corrosion inhibitors that reduce damage to ferrous metals. Its formula includes a four-way blend of sodium, potassium, calcium and magnesium chloride—bringing the best ice melt chemicals together in one great product.

It's fast.

Our specially-designed, angular, blue granules melt on contact and cover more ground. It is more effective and requires less than other de-icers making it more economical.

It's powerful.

Our super-powerful formula melts right through ice, even on the coldest winter day. It is effective all the way down to -16°F (rock salt is only effective to 12°F).

It's safe.

You don't have to worry. Our Ice Melt is safer for the environment because it requires less, making it safer for plants and grass along treated areas.

It's convenient.

Our Ice Melt is conveniently packaged in economical 50 lb bags or in stackable, recyclable cartons with removable liners.

NSN#	WEIGHT
6850-01-651-7455	50 lb bag
6850-01-598-1933	40 lb box
6850-01-598-1926	20 lb box
6850-01-598-1946	10 lb box*

*Minimum order of 10 boxes required.

Your purchase. A greater good.

Your purchase from Bosma Enterprises makes a lasting impact in your community. We are proud to be Indiana's largest employer and provider of rehabilitation programs for people who are blind. When you buy from Bosma Enterprises, you create jobs and fund programs that work to lower the 70 percent unemployment rate among people with vision loss.

**The average cost
for a slip and fall
injury on ice
is \$28,000.***
