

Restore Sense Nitrile Exam Gloves

With colloidal oatmeal to soothe hands

Constant washing and sanitizing can leave hands feeling irritated.

Less irritation, more compliance

Skin irritation may negatively impact hand hygiene. In one study, 66% of nurses said the condition of their hands impacts how often they wash or use sanitizer.¹

Advantages

- Nitrile strength and sensitivity—Great tactile sensitivity in a strong and durable glove
- Chemo tested—Meets the standard ASTM D6978-05 for providing protection against select chemotherapy drugs²
- Color-coded sizing—Quickly identify the right-sized glove every time
- SmartGuard™—Helps keep gloves clean and in the box
- More gloves per box—250 gloves per box means less change outs
