Why PrecisionTouch Ice exam gloves?

When it comes to exam gloves, you have a variety of options. Medline is the leading exam glove provider in the US*, offering durable products coupled with a robust and reliable distribution network. That's why PrecisionTouch Ice is the ideal glove for your clinicians.

Secure and resilient supply

50+ distribution centers across North America and a 2000+ MedTrans national trucking fleet to support deliveries for Medline MSPV customers.

Feel confident with quality gloves

Medline's high standards continuously raise the bar worldwide, meeting or exceeding Acceptable Quality Levels (AQL) and FDA requirements.

Unparalleled industry experience

Medline's dedicated team has 50+ years of exam glove experience to understand your unique needs.

Support local economy

Buying domestically manufactured products supports local businesses and contributes to the national economy.

Bosma Enterprises, creating opportunities for individuals who are blind. Bosma maintains Basic Ordering Agreement with the VA to provide exam gloves. Our government contracts provide employment for more than 100 people who are blind.
